Trip Overview

Nestled amid the picturesque foothills of the Talkeetna Mountains, this lodge graces the shores of a tranquil lake, a hidden gem just southeast of Denali National Park. Its location straddles the boundary between boreal forest and alpine tundra, providing a breathtaking vantage point right at the tree line.

Situated on an expanse that stands as the sole privately-owned parcel of land for miles around, our partner lodge offers an unparalleled sense of serenity and exclusivity..

Kodiak Photo Workshop

Renowned photographer and author Dan M Lee makes workshops in Alaska and beyond for hobbyist photographers in the wilderness and unique locations. All workshops are based on either wildlife or activities set in off-the-grid places. Dan is joined by world class photo guides who are experts in their fields of wildlife, photo journalism and outdoor photography. Kodiak Photo Workshops have been running since 2014.
